ARCHITECT	DATE OF PLANS 0	FAX 0	CELL 731-443-2448	E-MAIL ADDRESS dlivingston@haywwodtn.gov

All of our material and workmanship are guaranteed for one year only on new construction! Any alterations or work of any type, performed by others, on new tracks and/or material shall void the warranty in its entirety. No written or verbal warranty is given or implied for any repair project of existing tracks. Warranty work covers only parts and labor where Shelby Railroad Service, Inc is at fault. The warranty does not cover derailments where the fault is the responsibility of other / people / parties, such as throwing / changing a switch under a rail car. The warranty does not cover the cost of personal injuries or property damage of any type, only on our parts and labor.

Track owner shall arrange for any and all inspections no later than the last day our crew is on the job site / before the track crew leaves the job site.

Track construction shall meet the approval of any Federal, State, or Local Government Agency, per our proposal. Track owner shall arrange for any and all inspections while our crew is on the job site in order to avoid any additional expense to your company.

Shelby Railroad Service is not responsible for clearances, vertical, horizontal or walkways.

Shelby Railroad Service will not be responsible for damages or contamination to any unloading or loading system for debris that may get into your system such as through a shaft, unloading pits or any other way; even though they may be covered with a top (loose or locked down). Owner/Plant should take all precaution for track construction / repair.

The State of Tennessee has designated Shelby Railroad Service, Inc. employees as drug free and Shelby Railroad Service, Inc work place as a drug free environment.

Vendors of / and Shelby Railroad Services material subject to prior sale and availability.

Test cost, permits (if any) and etc. are not included in our proposal.

Shelby Railroad Service, Inc. shall not be held responsible for gas, electric, liquid lines & /or telephone or fiber optic cables, etc. Owners &/or General Contractor to arrange for any / all utility companies or locating service to locate any and all type lines. Owner &/or General Contractor shall indemnify Shelby Railroad Service, Inc.

All work will be performed in a workmanlike manner with safety and good housekeeping adhered to at all times.

Certificate of insurance will be furnished to your company and is included in our proposal per our policy.

Construction Bonds, if desired, would be an extra.

Delays, extra material &/or labor account of incorrect plans, specifications or anything beyond our control will be an additional charge. Any delay outside of the fault of Shelby Railroad Service, Inc. shall be considered an extra expense to the owner - whether it is the owner's fault/responsibility directly or indirectly.

Pre-qualification questionnaire, safety orientations course shall be considered an extra payment and is not included in this proposal.

Re-use of existing material, if any and salvage of existing material has been considered.

The proposal is based on Non-Union labor and straight time.

Engineering and Surveying are not included in this proposal.

RAIL CAR MOVER

ATT. Mayor David Livingston

PROPOSAL SUBMITTED TO: Haywood County		PHONE 0	DATE February 24, 2026	
STREET 1 North Washington		JOB NAME Track Repairs		
CITY, STATE AND ZIP CODE Brownsville, Tn		JOB LOCATION Brownsville Tn		DIRECT PHONE
ARCHITECT	DATE OF PLANS 0	FAX 0	CELL 731-443-2448	E-MAIL ADDRESS dlivingston@haywoodtn.gov

The owner, agent/agents and/or representative/representatives shall pay all cost whether to be deemed reasonable and/or unreasonable to Shelby Railroad Service, Inc., agent, heirs and any other legal representatives of Shelby Railroad Service, Inc. to collect payment such as all job cost, attorney's, court cost, travel time, travel expenses, employee lost time and other financial lost that may occur to Shelby Railroad Service, Inc. may collect payment, plus interest and etc.

Shelby Railroad Service, Inc. shall not be held accountable for the General Contractor, Owner or any other parties that may think that Shelby Railroad Service, Inc. is responsible for any plans or spec's being produced by Shelby Railroad Service, Inc. for the general contractor, owner or any other parties. The general contractor, owner or any other parties shall produce written plans and specs - OTHERWISE the new construction, repairs and other work/project will be done by the proposal of Shelby Railroad Service, Inc.. We strongly request plans and specs from you, general contractor, owner and etc. and that the plans and specs be delivered before the project begins NOT after the project!

We recommend and desire inspection during the project for the mutual benefit of all parties!

All prices are strictly budget number and should not be considered firm unless drawings and specs have been provided to and delivered to Shelby Railroad Service, Inc. by the owner and/or the general contractor.

Owner/General Contractor shall give/provide for access and egress.

ABSOLUTELY do not assume anything, ask - inquire, please do not assume! We encourage you to inquire!

Old/rotten crossties, switch timbers and other debris removed from the job site will be taken to a legal landfill.....
 Receipts can be furnished if requested before the project commences.

All track bolts will be re-torque, those that will not tighten up or those that are missing will be replaced in our working area.

Excludes half a bolt hole where others have installed improper rail material that does not match and such as no holes.

All cross ties and switch timbers that our company furnishes are to be new hardwood creosoted.

Certificate of treatment can be furnished for the crossties, if desired, and requested prior to the crossties being ordered.

All of our material and workmanship are guaranteed for one year only on new construction! Any alterations or work of any type, performed by others, on new tracks and/or material shall void the warranty in its entirety. No written or verbal warranty is given or implied for any repair project of existing tracks. Warranty work covers only parts and labor where Shelby Railroad Service, Inc is at fault. The warranty does not cover derailments where the fault is the responsibility of other / people / parties, such as throwing / changing a switch under a rail car. The warranty does not cover the cost of personal injuries or property damage of any type, only on our parts and labor.

All new switch work to be warranted only if a switch point guard and stock rail are installed by Shelby Railroad Service at the time of construction, nor does the warranty cover sharp flange wheels on the rail car that will split a switch and derail.

Net Thirty(30) Days from Date of Invoice Plus 3% Thereafter

Note: This proposal may be withdrawn by us if not accepted within: Ten (10) days
